# THANK YOU, LEADERS!

**W**e recognize that leading a Crown Life Group will require a commitment of time and effort, and we are grateful for your sacrifice and time. To prepare you to lead the study, Crown Financial Ministries offers a Life Group Leader Training.

You will need to invest six to eight hours of preparation before attending the training. The following 10 action items **must be completed before the training**. Spouses also are encouraged to attend at no additional cost. If spouses attend, they **must** complete all the training requirements, and their attendance must be reflected on your registration form.

## Contact the Following People

- 1. Meet with your pastor to discuss Crown Financial Ministries and to review the materials.
- 2. Schedule your co-leader training. The two people who are going to lead the study should both come to the training prepared.

**Reminder:** Two leaders are required for each class, and a married couple counts as only one leader.
