

CROWN FINANCIAL MINISTRIES

# The Secret of Handling Money

# God's Way!

*The Secret of Handling Money God's Way* features the adventures of Maria, Josh, Andy, and Ruth as they try to save enough money for baseball camp. As they find out how to earn, save, give, and spend money, they also learn some important things about God.

Specifically created to ages 8-12, this Bible study includes full-color illustrations, simple Bible studies, hands-on activities, and a guided prayer journal.

This is a great way to teach children how to be faithful with all things that God has given to them, while they are young.
