KIND!

Dear Parent,

The **YES!** event was a great success.

Your teen completed the **Career Direct—Youth Exploration Survey**, and what a great accomplishment it was! Congratulations to him or her for completing it and to you for letting your child participate.

Some of the discoveries your teen has made includes his or her unique God-given **personality style, interests, abilities, and priorities**.

During the course of working through the **YES!** program, your teen recorded a wealth of information in the application pamphlet called the *Passport*. This *Passport* can be an invaluable road map for making PRESENT educational decisions, as well as FUTURE career decisions. Now would be a great time to sit down with your teen and review his or her conclusions (while it is still fresh on the mind).

The potential benefits of **YES!** are

- ❖ improved relationships at home, church, and school
- ❖ better grades in school because of known strengths and non-strengths
- ❖ wiser educational decisions, based on confirmed personality style, interests, abilities, and priorities
- ❖ increased likelihood of finding a satisfying and rewarding career by applying wise career and life decision-making principles.

Hopefully, the **YES!** process has served to give your teen a clearer sense of God's design for him or her, by showing that God uniquely creates everyone for a specific purpose. It is our prayer that the **YES!** has provided you with rich insights about your child.

*Please take time to complete the enclosed **Parent Evaluation**. We value your input and desire to make the **YES!** the best product it can be. Thank you for supporting this **YES!** event, and may God richly bless you and your teen.*
