CROWN FINANCIAL MINISTRIES™

FOR LIFE GROUPS

Crown Financial Ministries is an interdenominational ministry with a **mission**

to teach people
God's
financial principles.

The Requirements

The life group meets once a week for two hours. Approximately two hours of preparation are required outside of class each week. Students complete a homework assignment, memorize Scripture, and pray for one another daily.

Topics include

- Getting out of debt
- Spending
- Saving and Investing
- Budgeting
- Giving
- Earning money
- Training children

Unfortunately, most Christians have been taught only God's principle of handling 10 percent of their income—the area of giving. Although this is crucial, they do not understand the Lord's perspective of handling the other 90 percent. In the *Crown Biblical Financial Study*, you will learn what Scripture teaches about managing all your possessions.

This study is very practical. Each time you learn a principle, there is a financial exercise to help you apply what you have learned. The cost of the study is nominal. Students receive a manual, workbook, and a copy of *Your Money Counts*.

Surveys of Crown life group members have found that the study has a dynamic, life-changing impact. Individuals are now enjoying the freedom, contentment, and economic stability that comes from practicing a more disciplined and less consumptive lifestyle. As a result, marriages are strengthened, and the members enter into a closer relationship with Jesus Christ.
