

CHAPTER SEVEN

# SPENDING WISELY

## **Children's Activity**

If money can't buy happiness, then that must mean that happiness is free!

Are you ready to take on the "Free"-Time Challenge? How many fun activities can you name that are absolutely free?

Try and get as creative as you can – no boring ideas allowed! Once you've written as many as you can name, start having fun!

List ideas to do by yourself and with your family or friends, and show everyone how much fun you can have without spending a penny.
