

COMMITMENT FORM

Thanks for signing up for YourLife: Money Management for Teens. There are many reasons you might have signed up for this course, but no matter what, we're glad you did. Over the next few weeks, you will learn ways to be successful with your money through following God's word in the biblical financial principles.

In this study, we will cover financial responsibilities, giving, saving, debt, budgeting and spending with integrity, honesty, seeking counsel, and more. We will discuss both the principle and the practical elements of godly finances. **Our hope is that this will be the beginning (or continuation) of a lifelong journey of honoring God with your money.**

Each week, we will meet to learn about the major theme for the lesson and dive into the topic. We ask that each day of the week, you will take the time to complete the 10-15 minutes lesson provided. Being daily in the course will enable you to take in each lesson thoroughly and create life-long value for what you are learning, so **participating in this course means you're committing to increasing your biblical knowledge in this area.**

We encourage you to submit any pre-conceived ideas or lessons you've learned about money to the Lord and come with an open mind and open heart to understand what God has to say about money. **Did you know there's over 2300 verses in the Bible about money and possessions? There's clearly a lot for us to learn.** Will you commit yourself to this study and to your fellow students learning with you? Will you pray for them and yourself daily as you seek God's heart and wisdom in this area?

If so, please sign your name below as your commitment to this program and those going through it with you.
