

Curtis Anderson had the opportunity to visit our friends and Alliance Partners at Maisha Yangu located in the slums of Nairobi, he visited some of the families in their community and trained their team members on Bible on Money.

1 As many walk through Crown's Advent devotional, Every Good and Perfect Gift, please pray that each reader is encouraged this season—reminded that in Christ, what they have is more than enough.

2 Join us in thanking God for providing for our \$375,000 Matching Challenge during October and November. Thanks to many faithful supporters, we met the match!

3 Please pray that God would give us wisdom and clarity in this year-end season, and that He would open doors, provide the needed resources, and bless every person who chooses to give.

4 Please pray for us as we bring Crown materials onto the Pando App after being fully funded on Giving Tuesday. Pray for wisdom in the work ahead and for the inmates who will engage with these resources—that God prepares their hearts and brings hope through His truth.

5 Please pray for our staff and partners this Christmas season—that God would strengthen, encourage, and refresh them as they serve, and that His peace and joy would fill their homes and hearts.

6 Please continue to pray as preparations move forward for Crown's 50th Anniversary Celebration, happening September 10–12, 2026, at the Knoxville Convention Center. Pray for smooth planning, successful visa approvals for our international partners, and for the event to be a joyful time of unity and celebration.

7 The CEF team is preparing for trips to Pakistan and Ethiopia in the new year; please pray for wisdom, guidance, and provision as they work to combat brick kiln slavery and support recovery efforts in Tigray.

8 This is a critical time of year for many of our partners who rely on the land but tend to experience either too much or too little rainfall. Please pray for God to provide just the right amount of rain for successful harvest seasons ahead.

9 We are awaiting decisions on several significant proposals that, if approved, would strengthen our ability to serve and reach more people. Please pray for God's favor and for His purposes to be accomplished in each one for the transformation of even more individuals, families and communities.
