

In May, African leaders gathered at the Crown Innovation Center in Paarl, South Africa, for the Stewards of Wealth and Influence training led by Chuck Bentley. During their visit, they toured demonstration plots designed to equip African farmers with practical tools and biblical principles to move from survival to flourishing.

1

Crown Spanish is heading to Guatemala! Please pray that God will impact many lives through Chuck's teaching, and for safety, unity, and encouragement for all who are travelling.

2

Please pray for the development of new YES! curriculum videos aimed for use by schools.

3

Frank will be leading a seminar in Madrid, Spain. Pray that pastors and ministry leaders will attend and be inspired to expand Crown teaching across Spain.

4

Pray for our Partners serving in areas where there is high persecution. May the Lord protect, strengthen, and encourage them as they faithfully continue His work.

5

Join us in praising that after years of praying to have a presence in Mississippi, Curtis had an initial meeting at an academy school in the Mississippi delta. Please pray for Crown's work and relationships in this area.

6

Please pray for our Foundations for Farming Latin America trainer, Laynus Martinez, as he travels from Bolivia to Costa Rica to lead two Foundations for Farming trainings.

7

Pray for our Partners who are preparing to teach our products for the first time. May the Holy Spirit use them as instruments to impact and transform the lives of those they teach.

8

In preparations to attend Crown's 50th Anniversary in September, our international partners are going through the process of getting visas and making travel arrangements to attend. Please pray this goes smoothly.

9

We have many new budget coaches that have been trained and are awaiting people to coach. Please pray that those who need coaching find our programs and get matched with a skilled coach.

10

Pray for our partners teaching in rural areas who are in need of projectors, flip charts, printed Bibles, and other teaching resources. May the Lord provide for their needs and equip them to teach effectively.
