

This photo is from a recent training in northern Madagascar, where God exceeded what we expected. The group gathered from many different backgrounds and literacy levels, yet they were deeply interested in the Pfumvudza technique and asked the leaders to keep going with the Money Map. For many, it was their first time receiving financial training rooted in God's wisdom. On the final day, they connected the cross of Jesus to the Money Map.

1

Pray for those in our CEF network who are seeking breakthrough in identifying the right partner within Pakistan that can supply and service brick making machines to the brick kilns.

2

Please pray for Chuck as he travels to Florence, Italy, from September 29 through October 5 to present at a TrustBridge Global event. Pray for safe travel, clear and faithful communication, and meaningful connections that strengthen the message of biblical stewardship around the world.

3

Please pray for Chuck and Ann as they join a panel discussion at an NCF event from October 22 through 26. Pray for safe travels, wisdom and clarity as they share, and meaningful conversations that encourage generous, faithful stewardship.

4

We invite you to pray for partners returning home from the 50th Anniversary Event, that they would remain encouraged and energized as they step back into their ministry areas. May they return ready to apply what they learned and step into new opportunities.

5

Please pray for the Venezuelan leaders gathering in Cucuta, Colombia, from October 19 through 24 for training led by International Business As a Mission, Crown's new Spanish partner. Pray for safe travels and a powerful time of fellowship and training.

6

Some of our partners or their immediate family members are facing serious medical conditions. Please pray for the Lord to touch their bodies and bring healing, renew their strength, and strengthen and encourage the family members who are caring for them.

7

Pray that the Lord will continue to open doors for us to connect with new partners and organizations around the world who can help expand the reach of biblical stewardship.

8

Stand with us in prayer for a ministry breakthrough in Arkansas with Exodus Ministries. May God open doors, move hearts, and bring lasting fruit through this work.

9

Please pray for Season 2 of the Crown Stewardship Podcast, that it would reach far and wide and help pull people out of their pain. We are also thankful for the extended reach through our new partnership with KLOVE, and we pray it blesses many listeners.

10

Join us in asking God to help us meet the \$500,000 Matching Challenge established by attendees of our 50th Anniversary Event. May generous hearts be moved to give, and may every gift be multiplied for God's glory and the good of many.
