PRAYER REQUESTS NOVEMBER 2026

This photo is from the Stewardship Center in Venezuela, which provides free dental care for children and low-cost care for adults in its community.

1 Crown leaders and partners are visiting South Africa, November 3–11, for a firsthand look at God's work across the region. Pray for safety, good health, and open hearts ready to engage. We ask God to broaden their perspectives, deepen their faith, and stir a strong passion for helping transform lives among the desperately poor.

2 Pray for the Lord to guide our steps to serve our partners with love and offer training opportunities to help them grow and become better facilitators.

3 Join us in praying for a strong financial finish to this calendar year as we seek to meet at $500,000 Matching Challenge by November 30 so we can continue to see lives transformed through the spread of biblical stewardship principles.

4 Curtis Anderson will be going to Haiti in the latter half of this month on a vision trip. Pray for God to open the door to relationships and lasting impact.

5 Prayer is requested for our ministry partner in Mongolia as she faithfully leads Crown groups. Prayer is also asked for lasting impact as participants learn biblical stewardship, for faithful prayer partners, bold local believers, open hearts across Mongolia, and a fruitful November trip as the Gospel goes forward.

6 Pray that the Lord will continue to open doors for us to connect with new partners and organizations around the world who can help expand the reach of biblical stewardship.

7 Pray for Curtis Anderson following his fruitful Montana trip that strengthened relationships and opened new doors for Crown. Pray for the schools, churches, recovery ministries, and Native American communities exploring Crown's resources, and for wisdom as these conversations move toward practical implementation and community flourishing.

8 Please join us in praying for our partners who are preparing to offer their very first Crown training. Pray that the Lord will bring the right people to these sessions and equip our partners to become effective facilitators who seek God's direction and wisdom.

9 Pray that our latest resource, The Question, will impact lives as it is released this month, that people will get it, read it, and take a deeper look into what actually breaks cycles of generational poverty.

10 Throughout the month we received several prayer requests over the phone. Please join us in praying for those struggling with financial burdens, career goals, and loneliness as well as for the salvation of family members.
